

## **4th ANNUAL CROP EXPO January 14 & 15, 2026 (Wed. & Thur.) Manheim PA**

### **Introductory**

Crop Expo is an annual 2 day educational event for small family farms in the greenhouse, nursery, cut flower and vegetable farming trades in the mid-Atlantic region. It has now had three successful events in January of 2023, 2024 and 2025. Crop Growing Expo 2026 is now booking exhibitors for the January 2026 event. Businesses that offer products and services for these trades are invited to exhibit. This includes retail goods and crafts for Garden Centers and Farm Markets.

As an exhibitor in last year's event you have the opportunity until Monday June 30th to reclaim your spot(s). You will note on the floor plan that the layout has changed from last year with more booth spaces added. Beings the cross aisles have moved, many of the corner spots are not at the same number. If you had a corner spot we will place you where that corner has moved to unless you request otherwise. Please note price increase on corner booths. If you would like to move to a different spot, or desire more space than last year please ask. We will try to accommodate.

The 15 X 15 spaces are treated as booth spaces this year and are priced as such. They are reserved for exhibitors of large items or equipment.

**June 30<sup>th</sup>! Deadline to reclaim your last year spot.**
