

## 5th ANNUAL CROP EXPO January 27 & 28, 2027 (Wed. & Thur.) Manheim PA

### Introductory

**Crop Expo** is an annual two-day educational event serving small family farms in the greenhouse, nursery, cut flower, and vegetable production industries throughout the Mid-Atlantic region. Following four successful events in 2023, 2024, 2025, and 2026, planning is now underway for **Crop Expo 2027**, and exhibitor registration is open.

Businesses that provide products, services, equipment, supplies, and expertise to these industries are invited to participate as exhibitors. Businesses offering products suitable for garden centers and farm markets are also encouraged to exhibit.
